

Banking Integrated Reader Device

BIRD-520-610

The ultra compact BIRD bank document reader from Devlin Electronics combines OCR B document reader, 2 external USB ports and integrated cheque tray, all connected to the host with a single detachable USB cable with splitter for power. The BIRD employs an embedded unique device PKI certificate for secure remote programmability.

The BIRD has three selectable data logic interface levels: serial RS232C, PS/2 and USB, run over USB hardware via the eKrypto™ SDC (Secure Device Communication) support software.

FEATURES INCLUDE;

- **Ultra small footprint**
- **OCR B document reader with optional PC scripts**
- **Secure remote programmability with digital certificate**
- **Document data available in serial, keyboard emulation or USB data formats**
- **Customisable font reading**
- **Media input & output trays**
- **Single cable USB interface**
- **2 external USB downstream ports for auxiliary USB devices**

Technical Specification

DIMENSIONS

220 x 130 x 90 mm
Weight 1.2 kgs

RELIABILITY

Document Reader 1 million passes

OPERATING TEMPERATURE

0°C to +40°C

POWER

External In-line power supply

DOCUMENT READER FONTS

OCR B
Customisable font reading

CABLE

Detachable single cable with splitter for power, USB, length 2 metre

STANDARDS

EN60950/IEC950/UL1950 - safety
EN55022 B - RF emissions
EN55024 - RF immunity
